2017 Babe Ruth Softball World Series

The 8U through 18U divisions of Babe Ruth Softball have the opportunity to submit AllStar tournament teams for competition in the hopes of advancing to the Babe Ruth World Series every summer. These select teams compete through local district events, then to State competitions. The top tier advance to the Babe Ruth Regional tournaments for a chance to compete in the World Series. This month-long playoff process will bring the **best 10 to 24 teams in each age group, from over 1,000,000 players worldwide**, to the Treasure Coast to find out who will be "Babe Ruth World Series Champions"!

This year's World Series, being held **from July 19th through August 5th**, is the second year of a five-year commitment by Babe Ruth to allow the Treasure Coast to host an event of this magnitude and enjoy the financial benefits it brings. This two week long event will not only provide the community with the opportunity to enjoy world class softball competition, but also will bring an estimated 7.5 million dollars in economic impact to the hotels, restaurants, and retail/service based businesses (*per previous years data*)

Team Credentials

How to Assemble Your Tournament Credentials

Step 1

Access your account at BabeRuthLeague.org. Your league president or appointed officer will be able to help you with gaining access to your account.

Step 2

Start your Credentials book by using a 1/2" ring binder that you can find in an office supply store.

Step 3

Place clear sheet protectors for the documents inside the binder. When using Babe Ruth ID Cards, use "business card" sheet protectors to hold the cards inside the binder. Quick Note: Babe Ruth ID Cards are available for purchase through your roster tool. Simply select the players you need ID Cards for and supply the shipping information. You can have your cards sent back Next Day Air, 2nd Day Air or regular Ground.

Step 8

Insert Consent for Treatment forms. You can print out Treatment Forms from the Babe Ruth Website! Quick Note: Be sure to have 1 Consent form for each player on the roster. The Consent for Treatment form can be found under League Resources on BabeRuthLeague.org.

Step 9

Place a printed copy of your team photo, in uniform, in your binder. Please remember that this photo may also be used for program books and other publications as you advance in the tournament trail. Make sure to have a good photo taken. Quick Note: You will be uploading a photo when you do your rosters online as well. Remember only players and coaches that are on the official tournament roster are permitted in the photo.

Step 4

Insert your league's LOE (Letter of Eligibility). This is approved by your State Commissioner and available once approved for printing from your league's Data Center account. If you don't have the option to print the LOE, contact your State Commissioner. Commissioners will not be able to approve LOE's until after June 5th of each year. See LOE section for step-by-step instructions on obtaining your LOE.

Step 5

Insert a copy of your tournament team roster in the binder. If you have any Add/Drops that are made on your tournament roster after June 30th, please be sure to put the Add/Drop form as well as your approved letter from Headquarters approving your Add/Drop in the binder. Quick Note: Only Add/Drop forms that are with a letter from Headquarters giving specific approval are valid. Also, remember

Step 10

Place Certificates of Certification for each manager and coach that has successfully completed the Coaches Certification Program. Quick Note: Visit www.baberruthcoaching.com for information on how you can enroll in this superb training program.
